

**REMARKS**

Applicant notes with appreciation the Notice of Allowance and Notice of Allowability mailed June 8, 2005. In order to place this application in better form for issuance, claims 1, 12, and 16 have been amended to correct typographical errors in wording, indenting, and punctuation appearing in these claims as presented in the Examiner's Amendment. No other claims have been amended, added, or canceled.

The Examiner is respectfully requested to approve these amendments, which are submitted for the purpose of clarification.

**Error in Notice of Allowance**

Applicant notes the following error:

The title of the application as amended in the "Amendment and Response Under 37 C.F.R. 1.111" filed on February 4, 2005, is not correctly listed on the Notice of Allowance. The title of the application, as amended, should be listed as "ELECTRONIC ASSEMBLIES AND SYSTEMS COMPRISING INTERPOSER WITH EMBEDDED CAPACITORS" rather than "ELECTRONIC ASSEMBLY COMPRISING INTERPOSER WITH EMBEDDED CAPACITORS AND METHODS OF MANUFACTURE".

Applicant respectfully requests that the Examiner issue a supplemental notice of allowability that correctly identifies the amended application title as "ELECTRONIC ASSEMBLIES AND SYSTEMS COMPRISING INTERPOSER WITH EMBEDDED CAPACITORS".

Conclusion

It is respectfully submitted that amendments made to claims 1, 12, and 16 do not introduce new matter, and that all of the previously allowed claims are allowable without further search or consideration. Therefore, entry is appropriate under Rule 312 and is respectfully requested. It is believed that no fee is necessary for the present submission. However, if any fees are deemed necessary, please charge any additional fees or credit any overpayment to Account No. 19-0743.

Respectfully submitted,
